Yuan-Chi Chang, Chung-Sheng Li, Apostol I. Natsev, John R. Smith declare as follows:

1. We are the inventors of the above-referenced application, and we have reviewed the Office Action dated December 16, 2003, and the reference cited as prior art, "MediaNet: A multimedia information network for knowledge representation," appearing in *Conference on Internet Multimedia Management Systems*, presented on November 6, 2000, and authored by A. B. Benitz, Jr. R. Smith, and S.-F. Chang (hereafter MediaNet reference).

2. Prior to November 6, 2000, we have conceived the claimed invention of this application. A Provisional Patent Application Serial No. 60/246,052 was filed on, November 6, 2000, with the USPTO. John R. Smith is the common inventor to both the present application and the Provisional '052 application. The '052 application as filed is attached herewith as Exhibit A. The '052 application evidences our conception of the claimed invention prior to November 6, 2002, the date of the MediaNet reference.

3. The subject matter of the current application was not abandoned, suppressed, or concealed from the date of conception prior to November 6, 2000 to the date of constructive reduction to practice, as evidenced by the filing of the current application on August 9, 2001, within 1 year of the filing of the '052 Provisional Patent Application.
